Dear Examiner Siek,

Thank you for our telephone discussions regarding the missing reference. Our files reflect, and I hereby confirm, that the attached reference to Sengupta was mailed to the USPTO in the IDS submitted with the originally-filed application papers on January 14, 2004. The post card stamped by the USPTO indicating receipt of the IDS and its references is also attached hereto. Thus, we enclose:

1. The IDS article "Defect-Based Test: A Key Enabler for Successful Migration to Structural Test" to Sengupta et al.; and
2. Copy of the return post card showing application papers, as filed, stamped by the USPTO mail receiving department.

If you have any questions, please call me at 650-273-3254.

Kindest regards,
